Phone: 609-861-0700 Fax: 609-861-1651

Meals, lodging and transportation to and from birding locations are the responsibility of workshop attendees and are not included in the workshop price. Materials sent to all registrants include our "Places to Eat, Shop, Stay, and Play" brochure which may also be viewed on our Web site: [www.birdcapemay.org](http://www.birdcapemay.org). Make your plans early (especially in summer). Because of our early morning starts, we recommend you arrive the night before your workshop.

If you need BINOCULARS and/ or a SPOTTING SCOPE, CMBO carries a large and carefully selected inventory of quality birding binoculars. If you plan to buy or upgrade, consider arriving the day before your workshop to test and select the instrument that is right for you. If this is inconvenient, call and we'll arrange to loan you an instrument. **DO NOT RUSH OUT AND BUY SOMETHING JUST FOR THE WORKSHOP!** There are too many ways to go wrong.

**Instructions and recommended reading are mailed in advance of the workshop.**
